

Standardized Testing

- **NWEA MAPS (Measures of Academic Progress)**

Throughout Poudre School District, 2nd-5th grade students are tested on both Math and Reading 3 times per year (Fall, Winter, and Spring). You can find parent resources and help your student prepare for testing at this website! [NWEA Parent Toolkit](#)

- **CMAS (Colorado Measures of Academic Success)**

CMAS Language Arts and Mathematics assessments occur every spring for 3rd-4th grade. Language Arts, Mathematics and Science are given each spring for 5th grade. Additional information and sample questions are available on this Colorado Department of Education site. [CMAS Assessments](#)

Visit the Poudre School District site for more information on these measurements, as well as additional assessments and certain grade-level requirements. [District and State Assessments](#)
